

This year Bill & Wanda Levensgood, of E.L.F. Ranch in Whitehall have donated the 2011 Raffle filly named

ZIP'S LITTLE RED ROSE.

Zip Little Wolf has sired 25-plus rope horses that are winning as team roping horses. He also has some foals out there winning at barrel racing. Zip sired a \$20,000 dollar rope horse and a \$33,000 dollar rope horse.

This is going to be one of the very last foals out of Zip Little Wolf as we had to put him down a few days ago.

This is getting down to the last foals with Three Bars on their papers and out of an own son of AQHA Hall Of Fame sire Zippo Pat Bars. This is a family tree that has done it all – multiple world champions in events ranging from western pleasure and hunt seat, to barrels, roping and cowhorse events; Zippo Pat Bars blood runs through many of the performance industry's greats.

Rosie is a well-bred solid sorrel who is probably going to turn dark chestnut, filly out of proven bloodlines that should be very fast. Check out her dam's lines on the pedigree below. She should make an exceptional barrel prospect, reined cowhorse prospect, roping prospect (calf roping, heeling). She should be strong enough to make a steer-wrestling prospect. This filly, born May 13, 2011, should have plenty of cow sense, plenty of speed and a lot of quickness.

We present a nicely built filly for this raffle to introduce one of our new mares.

Please call so we can tell you more.

Thanks, Bill and Wanda with The E.L.F.Ranch 406-498-0952
