

## **2024 MEMBERSHIP**

**The** RMBA is in its 24<sup>rd</sup> year! The association continues to promote breeders; offer and promote educational opportunities; hold a highly popular Ranch Horse Competition series; promote Sponsor and Trainer advertising; and breeder's option for showcasing their stallion(s) on Stallion Alley, whether the stallion stands to the public or not.

The RMBA is unique in the events that are held. The Ranch Horse series doesn't just offer Year End High Point awards, the events fit well with other associations including breed and sport-specific associations. Riders interested in showing in the Ranch Horse series must be current year members.

Current year members have the option for full advertising access on the website including stallion and trainer advertising, and can promote their business via the newsletter and on the RMBA Facebook page.

The membership dues identify which membership type is paid for. Individual adults are an annual rate of \$50.00; for a family/ranch/business membership, the rate is \$60.00 (please list ALL names under this membership); trainer's rate, which includes optional advertising on both the RMBA website and social media, is \$70.00; a youth not included under any other membership, remains at \$20.00. Youth age eligibility is 18 years and under as of January 1<sup>st</sup>.

The trainer information and breeder profile "Get Started" segments are found on the Addendum on page 2. All trainers, breeders, and sponsors are encouraged to provide a weather-proof arena banner to the RMBA for display in the arena at all events.

Any memberships paid after October 1<sup>st</sup> of a calendar year, will be applied to the upcoming membership year.
