

RMBA

Rocky Mountain Breeders Association

Where a successful future begins.

2024 SPONSORSHIP

Thank you for considering sponsorship of the Rocky Mountain Breeders Association (RMBA). We celebrated our 20th Anniversary in 2020 and are closing in on our Silver Anniversary in 2025! We are now into our next successful decade.

The RMBA is a non-profit equine association geared towards promotion of a quality using horse that can perform a variety of events. Originally founded by breeders for breeders as an association to help market the quality horses found in member programs, the association enjoys strong support from breeders and other equine enthusiasts.

We are a unique association with a diversity of membership. Remaining true to our origins, we promote breeders' programs through our website, advertising, social media and our biggest breeder promotion and fundraising event, the annual Stallion Service Auction. We take pride our members' programs have found success from the show pen to the rodeo arena, from ranch work to recreation.

Other activities the RMBA hosts include a Ranch Horse Competition series that offers classes suited for all levels and ages of horses and riders including classes designed specifically for youth. Most classes have Year End Awards attached for members who show in a minimum of 50 percent of offered shows. The RMBA doesn't stop at offering affordable and family appropriate horse events. The association holds an "Intro To Ranch Horse Clinic" each spring that serves a variety of interests.

Sponsorship helps the RMBA offer more events in more locations. Benefits of sponsorship include coverage on the RMBA website at www.montanarmba.org, including a link to your business if one is available; coverage on social media; listing for the annual Awards Banquet; inclusion in e-blasts and our e-directory; and through the electronic newsletter to members and other interested parties. Sponsors receive display and mention at shows during the show itself. Terrific sponsors have long been part of our success story.

Sponsors are encouraged to provide a weather-proof banner advertising their business for the RMBA to display in arenas during events. Bringing your business to more people.

Our membership and activities represent you across Montana and surrounding states. Our promotional reach through newsletters, eblasts, and an e-directory along with social media is not only state-wide, but includes national and even international readers and followers. Let the RMBA be a part of your advertising future!

Thank you for your support of the RMBA.
