Thank You for your support of the RMBA and the Stallion Service Auction.

Genuinely Busy is a really well muscled, good looking son of Tuf N Busy. He is that pretty golden buckskin color. We purchased **Genuinely Busy** from Terri White and she was also the owner of Tuf N Busy. This was the colt she kept to replace Tuf N Busy and we feel very fortunate to be able to own a horse of this caliber. It just doesn't get any better – not only does he have a great cow horse pedigree, he also has the color, looks and ability to back it up.

Genuinely Busy is an own son of Tuf N Busy and Tuf N Busy's offspring have won over 3,750 AQHA points, 27 ROM winners, mostly in roping events; and he has sired 46 point earners out of 236 foals sired. Plus, they have won at all levels of roping from Amateur to PRCA with earnings in NCHA, NRHA and NRCHA.

Genuine Leigh Wright was an outstanding calf roping horse and was hauled in the PRCA. She is an own daughter of Lena's Wright On. He has a LTE of \$109,995 and won the NRCHA futurity as a three-year-old and was an AQHA World Champion Working Cow Horse as a five-year old. He is the sire of NRHA and NRCHA money earners as well as an AQHA Champion. This is our 11th crop, in 2023, by **Genuinely Busy**. We are extremely proud of how his colts are breaking out and riding. Everyone that rides a "Ricky" colt loves their attitude and easy-to-get-along with demeanor. We get a lot of repeat buyers with the **Genuinely Busy** colts, just like we did with the Ima Tuf Lena colts. That says a lot for the Tuf N Busy bloodlines. His colts are really starting to excel in the roping pen. I couldn't be happier with "Ricky." He sires colts with a lot of cow, athletic ability, but most of all, they are extremely good minded and very trainable for any venue. His daughters are just coming into production and I am very pleased with their colts. We have excellent frozen semen available on **Genuinely busy**, and his offspring are eligible for the Riata Buckle.

Genuinely Busy is 5-panel N/N. View more information on our website at WeaverHorses.com

FROZEN semen only.
