TERMS AND CONDITIONS OF BREEDING CONTRACT

This agreement is made between Laughing Horse Ranch (hereinafter referred to as the stallion owner), and the owner of the mare described above and is subject to the following terms and conditions.

1. A \$350 non-refundable booking fee is due and payable upon execution of this agreement. Booking fee is included in the breeding fee. Only one breeders certificate will be issued per paid breeding fee. Shipped semen contracts the balance of the breeding fee is due prior to ordering semen. For breeding at Laughing Horse Ranch the balance of the breeding fee is due and payable before the mare departs from the ranch.
2. Any unpaid fees owed to Laughing Horse Ranch will be billed with a monthly interest rate of 1.5%. Breeders certificate will be issued when all fees are paid for in full and stallion owner is notified of a live foal
3. In the event the above mare fails to produce a live foal from the breeding privilege granted herein, or the foal produced from this breeding fails to live until January 1st of it's yearling year, mare owner may rebreed the mare (or a substitute mare mutually agreed upon by mare and stallion owners) during the following breeding season only. This guarantee applies only if the mare owner (A) notifies the stallion owner within 72 hours after the time the mare did not produce a live foal, or foal dies; and (B) within 10 days after the mare owners notice, the mare owner provides the stallion owner with a statement from a licensed veterinarian substantiating same. **A farm fee of \$250 (includes first semen shipment) + \$100 Booking fee is due on all re-breeds. Breeding fee will not be refunded.**
4. If the mare owner fails to contact the stallion owner for a rebreed the year immediately following, then any and all fees paid shall be forfeited; the right to a rebreed is cancelled and this contract is thereby terminated.
5. Mare owners agree to have mare ultra-sounded 14 - 17 days after the last date of insemination and notify stallion owner of pregnancy status.
6. Mare owners may not assign this breeding contract or substitute any other mare under this agreement without the prior written consent of the stallion owner. Any attempted assignment without prior consent of stallion owner will, at the option of stallion owner, terminate this agreement and release stallion owner from all obligations hereunder.

7. It is understood that if the above stallion dies or becomes unfit for service, this contract shall become null and void and the breeding fee less the booking fee shall be refunded to the mare owner.

8. Embryo transfers: Mare owner agrees to notify stallion owner that this is an embryo transfer breeding. In the event multiple viable embryos are produced from a single flush, the mare owner agrees to pay an additional breeding fee for each additional live foal.

9. By signing this contract, the mare owner certifies that he/she is the sole owner of the above-mentioned mare, or has authority to enter into this contract on behalf of the owner.

10. A photocopy of the mare's registration papers must be furnished with this contract.

11. Wicked Pretty is Negative on the AQHA 5 Panel, N/IMM Color Testing: Ee – aa

The undersigned agrees to and shall indemnify and hold harmless Laughing Horse Ranch and its staff from and against any and all claims, losses, damages, causes of actions, suits and liability of any kind including expenses of litigation, court costs, and attorney fees, for injury to, or the death of the mare/foal, or for any damage to the mare/foal arising out of, or in connection with, the services performed by Laughing Horse Ranch and its staff under this contract, regardless of whether such injuries, death or damages are caused in whole or in part out of negligence of Laughing Horse Ranch and its staff.
